Dear Mary,

On behalf of the entire Mercy House community, I would like to extend our deep appreciation for the \$10,000 grant and generous collection of donations from you and your team at UCSB Charitable Foundation.

Your faith in our mission will continue to inspire us, and the grant will go a long way to support deserving children right here in Elizabeth.

It is evident that your team is filled with people with big hearts, and we are excited to continue to work together to make a difference.

It was especially fun to celebrate with that big check, and we hope to be able to thank you in person soon.

In Peace,

Dear Lucy,

Please accept our sincerest thanks for the \$10,000 grant from The Union County Savings Bank Charitable Foundation that we received on June 20, 2023 for our building development project. I am writing to share our final impact report as required in our award letter.

The \$10,000 grant we received has been fully spent at this time. As promised, the funds were used to pay a portion of the pre-development expenses for our facilities renovation and expansion plan. The grant covered the costs of our site survey (\$1,800), geophysical survey (\$850), stormwater management study (\$2,250), traffic study (\$1,900), sewer line study (\$1,685) and site planner costs (\$2,000). These items represent some of the required pre-development projects for the building development plan.

These pre-development projects made it possible for the agency to move forward with the construction of two new buildings on our campus, our new food pantry and our new clothing distribution center. In addition, these pre-development projects allowed St. Joseph's to reconfigure and repave our parking lot and to begin renovations to our main building on campus, the Hall. The impact of these pre-development projects is significant. St. Joseph's is now able to expand and enhance programs and to increase the number of Elizabeth residents in need who are served. All of the residents we serve will benefit from these projects.

Please let me know if you would like any additional information about our pre-development projects or the impact of this work. We welcome you to visit our new facilities when your schedule permits! I can be reached at (908) 354-5456 x402 or bmurphy@sjeliz.org.

Dear Ms. Picciallo:

I am writing on behalf of everyone at the Center for Hope Hospice & Palliative Care to express our appreciation for your sponsorship purchase of \$500 supporting our Monte Carlo Casino Night.

In addition to the exciting night that's taking shape, the event serves an important function. The Center for Hope, year after year, provides millions of dollars in charitable care to terminally ill patients throughout our communities, regardless of an inability to pay. Events like this actively support the Center's Charitable Care Program and, more importantly, the people who depend on it.

As an independent, community based, nonprofit organization, the Center is mission driven and patient focused. Our donor support is the one reason why the Center is able to continue its charitable mission and offer the kind of quality of service that is usually only reserved for the well-off.

There is no way to say it more plainly: we thank you for donation and we hope that we can count on your continued support. Someone from the Center will contact you regarding your sponsorship. We look forward to welcoming you at the event!

Sincerely,

Frank Brady, MPA, RN
